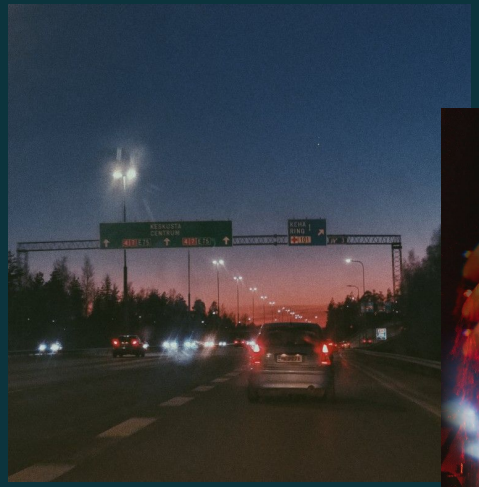
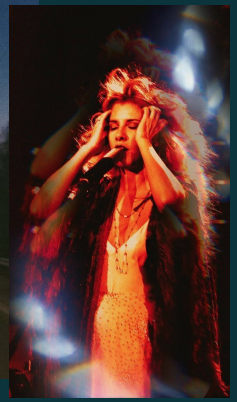
Album

Traffic Lights



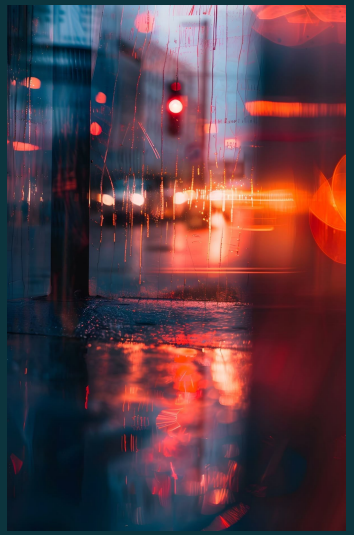


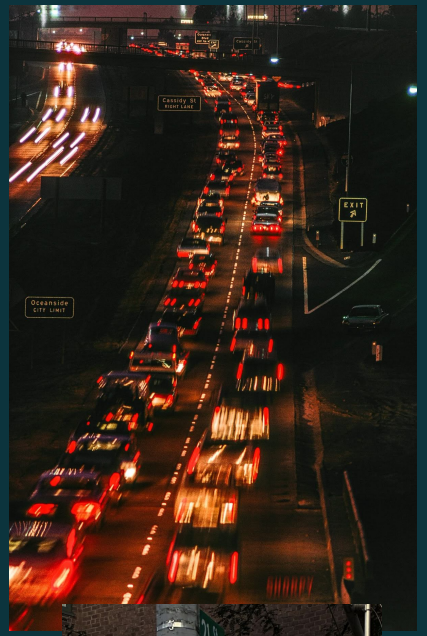
And you'll be asking, are we there yet?

Traffic lights, keep going till you hit the spot

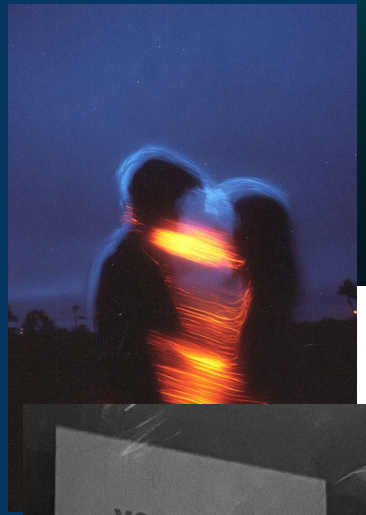
Traffic lights, is it time to stop.

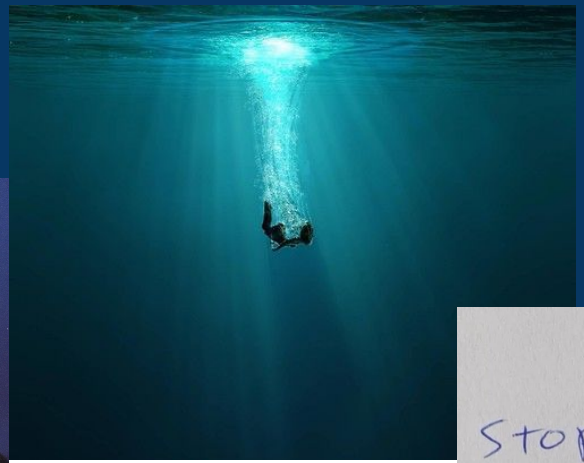
Lorde Vibes



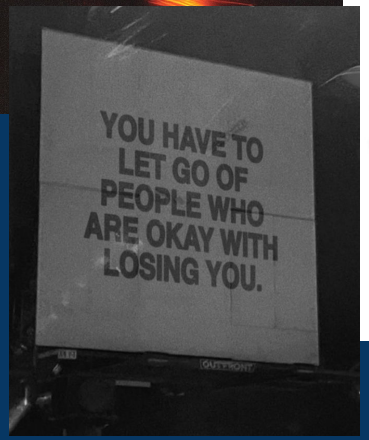


Freefall

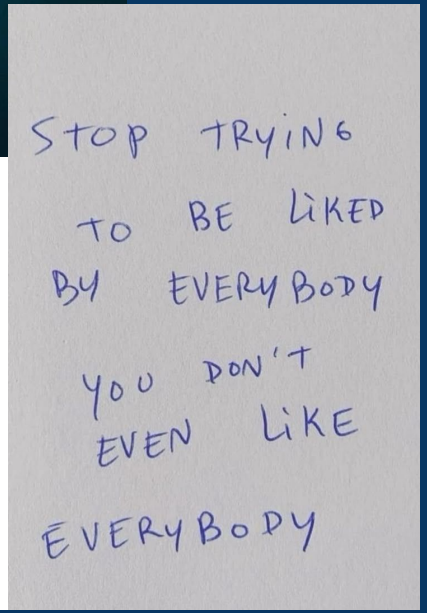




The art of not knowing what will happen and just letting it

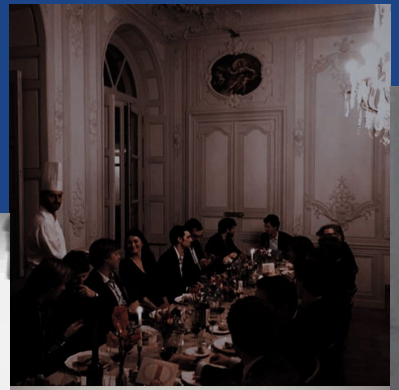


People scare me

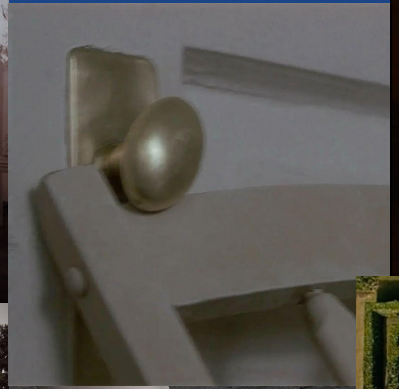


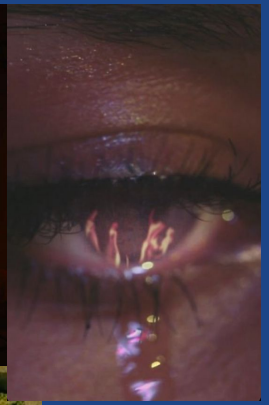
The Wedding

Instead of being afraid, I could become something to fear.

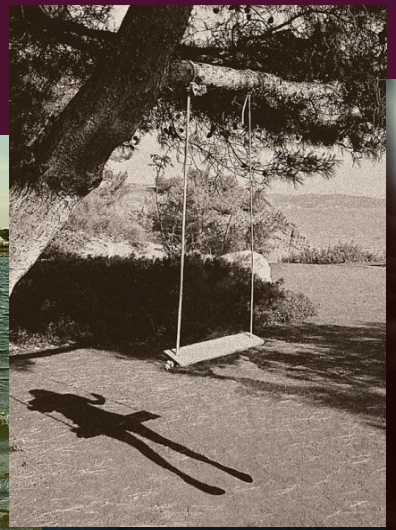


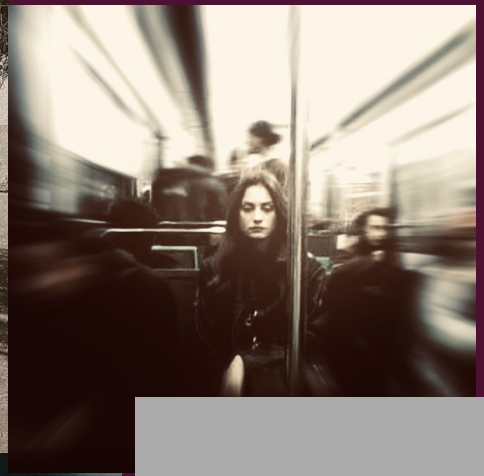
"Maybe you weren't a terrible person, maybe you were just fifteen."





Girl I Used To Be





"am I supposed to be
grateful
to have survived this?"
